

Emmi 30 HC Plus

Ultrasonic power regulator:
40% / 60% / 80% / 100%

Technical specifications Emmi 30 HC Plus

Description:

Universal device 3,0 l with stainless steel oscillating tank and stainless-steel case, timer 1-60 min., continuous operation, heating, and ultrasonic power regulator.

Dimensions:

Tackle outside (L x B x H): 310 x 180 x 260 mm

Tub Indoor (L x W x H): 240 x 135 x 100 mm

Basket Indoor (L x W x H): 210 x 120 x 75 mm

Mesh of the Basket (Ø): 8 mm

Content:

When content: 3.0 liters

Filling volume: 2.2 liters

Equipment:

Internal tank: Stainless steel 1.4301

Housing: stainless steel 1.4301

Degree of protection: IP 32

Drain tap: Yes

Timer: 1-60 min / continuous operation

Heating: 30-80 ° C

Ultrasonic power regulator: 40 / 60 / 80 / 100%

Technical specifications:

Transducers: 3 PZT broad beam transducers System

HF generator: overload protected, constant power.

Modes: Easy half-wave

Operating frequency: 40 kHz

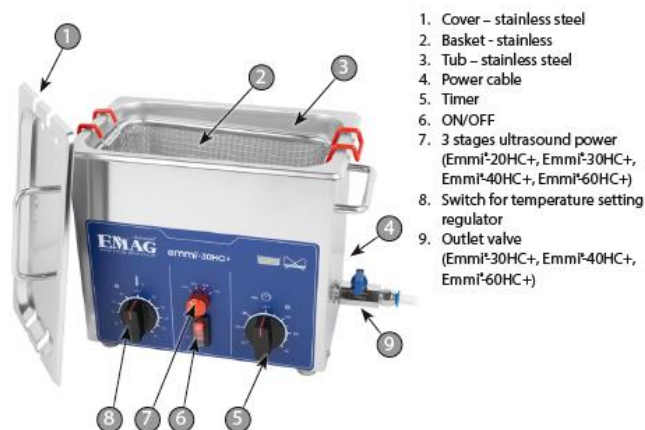

Ultrasonic power: max. 180 Watt

Heating power: 150 Watts

Power supply: 50/60 Hz

Power supply: 220 - 240 V
